PONTE DI LEGNO AND PASSO TONALE

Trentino and Lombardia ... two regions in one resort

within the uncontaminated nature of Stelvio National Park, Adamello Park and Adamello-Brenta Natural Park

Ponte di Legno traditional mountain cosy village - Passo Tonale well equipped and modern ski centre

CULINARY TRADITIONS AND WINES

The variety is a richness characterizing the land:
a great and wider selection of wines, as well as tasty specialties,
arising from two different culinary traditions of Lombardia and Trentino.
